Recent Advancements in Information Technology

Proc. of the Natl. Conf. on

*Editors: Dr. K. Muhammad Zakariah, Prof. Ainapur Purushottam and Prof. R. Nedunchezian
 Department of Information Technology, Sri Ramakrishna Engineering College, INDIA*

Information Technology has transformed the world into a "Global Village" narrowing the geographical and cultural boundaries. Information Technology is the key resource for the development of an individual, society, community and the nation. Governments are investing profoundly in Information Technology research and universities are concentrating on it as thrust area. It is essential to have an insight into the continuing research innovations, enhancements, evolution of technology and practices in the area of Information Technology. This proceedings has the essence on the recent advancements from technologists, scientists, academia, and researchers together and provides direction to the efforts being made in progressing this emerging and futuristic technology.
